Welcome to University of Maryland University College and UMUC Asia MBA Program. Our mission is to improve the lives of adult learners like you by providing top-quality educational opportunities in Maryland, the nation, and the world.

Since our founding in 1947, UMUC has been dedicated to the education of military servicemembers, veterans, and their families. As the first American university to educate U.S. military overseas, serving the military is embedded in the university’s DNA and we proudly carry on this heritage as one of the top military- and veteran-friendly schools in the country. We are honored to serve the members of U.S. military communities throughout the Central, European, and Pacific Commands.

A degree earned at UMUC carries respect across the nation and around the world. UMUC has repeatedly been recognized for our innovative educational programs and commitment to excellence. Just this past year, the university garnered a world championship won by our cyber competition team, a #1 ranking from Military Times for our academic programs and support services for veterans, and the university’s President Javier Miyares was named Educator of the Year by the World Affairs Council of Washington, D.C.

Having served in the military for 32 years, I have seen the challenges servicemembers and their families face and the sacrifices they make. I have also recognized their ambition to improve themselves and their lives. At UMUC, we answer this need by offering career-relevant academics to help you become more valuable in your current role and in the job market. You can achieve your dreams and your true potential—one class, one semester, one accomplished moment at a time.

On behalf of the faculty and staff of this great institution, I extend to you my very best wishes as you build your professional value and achieve your educational goals.

Senior Vice President, Military and Veterans Operations

Accreditation
University of Maryland University College is accredited by the Commission on Higher Education of the Middle States Association of Colleges and Schools, 3624 Market Street, Philadelphia, PA 19104 (267-284-5000), one of six regional accrediting agencies recognized by the U.S. Department of Education.
UMUC is governed by the University System of Maryland Board of Regents and certified by the State Council of Higher Education for Virginia. UMUC is a constituent institution of the University System of Maryland.

See the policy statement and additional policies in the index.
WELCOME TO UMUC

A UNIQUE INSTITUTION

University of Maryland University College (UMUC) is unique among institutions of higher education. From its founding in 1947, UMUC was designed to meet the educational needs of adult students—students who must balance study with the demands of work and family life. Today, UMUC has grown to be the largest public university in the nation, serving students throughout the state, the nation, and the world. Yet its focus on providing open access to high-quality educational programs and services—eliminating the barriers that can keep you from achieving your educational goals—remains unchanged.

MILITARY PARTNERSHIPS

For over 65 years, UMUC has proudly served the U.S. military through its educational partnership in Asia, Europe, and stateside. More than a million servicemembers have taken UMUC courses. This long relationship has made UMUC particularly sensitive to the needs of military students and prepared to handle details specific to military life, such as veterans benefits and the transfer of credit earned in military specialty schools. In July 2013, UMUC was awarded a U.S. Department of Defense contract to continue offering programs at its military sites across Europe. In 2015, the U.S. Department of Defense announced that it had extended UMUC’s privilege to serve the members of the U.S. military community in Asia.

By proving that traditional standards of academic excellence can be maintained in nontraditional settings, UMUC has won the respect of the military community and established itself as an integral part of military life. Currently, UMUC provides courses at more than 80 military installations throughout Africa, Asia, Central Asia, Europe, and the Middle East.

KEY ALLIANCES

Through key military alliances, UMUC is committed to helping servicemembers gain the most from their education.

- UMUC is a strong supporter of Community College of the Air Force programs. The GEM program allows Air Force students to quickly complete major requirements for CCAF degrees. Through the All ABC program, UMUC enables CCAF degree holders to easily transfer credits toward a bachelor’s degree.
- GoArmyEd, an online system developed to help Army students move forward academically, is centered on the GoArmyEd portal. UMUC partners with GoArmyEd to make registration and other student services seamless for Army students.
- The Military Spouses Career Advancement Account (MyCAA) is a unique financial aid program for military spouses. UMUC provides advisors to assist students with applying and using MyCAA benefits.
- UMUC is a member of the Navy College Program Distance Learning Partnership, a special partnership leading Navy students toward their bachelor’s degree.
- Selected as a partner of the College of the American Soldier (CAS) program, UMUC helps to maximize college credits received from military education and leadership training for non-commissioned officers (NCOs). UMUC is proud to partner with CAS in providing NCOs with an accelerated path to a degree.

STUDENTS FIRST

At UMUC, your success as a student is of paramount importance. The university seeks not only to help you fulfill your current education goals but also to create an educational partnership that will last throughout your life.

To that end, the university looks first for ways to ensure that you can easily access programs and services. Admission policies are designed to simplify the process (standardized tests are not required), allowing you to apply and register at the same time.

As a global university, UMUC makes it possible for you to take classes any time, any place, by offering one of the largest selections of online programs available—in addition to classes at sites throughout Maryland and the metropolitan Washington, D.C., area and at military sites all over the world. You can also access student services online and by phone, as well as on-site.

Convenience and flexibility are not the only concerns, however. UMUC seeks to create a learning environment that is respectful of diverse backgrounds, inclusive, responsive, and relevant.

Recognizing that financial concerns are often the biggest obstacle to higher education, UMUC also strives to keep tuition costs low and provides numerous financial aid opportunities, including scholarships for military and community college students.

EXCELLENCE

A regionally accredited university, UMUC is dedicated to providing you the highest quality programs and services and ensuring excellence in its online and on-site courses.

In providing these programs, UMUC relies on a renowned faculty of scholar-practitioners—teachers who bring real world experience as well as advanced academic credentials to your courses—and the use of the latest technologies. UMUC also is able to provide you with a wealth of resources because of its place within the University System of Maryland.

The success of UMUC’s efforts is evident. Year after year, UMUC continues to garner awards from such notable organizations as the University Professional and Continuing Education Association, the Sloan Consortium, and the Maryland Distance Learning Association.
UMUC has always looked for new and better ways to serve students. Long before the online revolution, UMUC was delivering courses to students at distant locations, using any and all available technologies—from interactive television to voice mail. Today, you can access both courses and services online, using the university’s learning management system and MyUMUC, its online gateway to services and information. Through its Center for Innovation in Learning and Student Success, UMUC leads the search for next-generation learning models and best practices for online learning.

EDUCATIONAL RELATIONSHIPS

UMUC is dedicated to collaboration and cooperation with other educational institutions, both public and private, throughout the nation and the world. The university has established alliance agreements with 90 community colleges across the United States, including all 16 Maryland community colleges. The university also works to develop strong strategic partnerships with local and national leaders in business and industry, government, and nonprofit organizations and is an important partner in the region’s economic development.

UMUC values employers’ viewpoints and has developed customized programs for employers and organizations across the country. Consistent with its mission of bringing convenient and relevant learning opportunities to the workforce, UMUC has developed strong relationships with many prominent employers around the country, including the American Bankers Association, Booz Allen Hamilton, GEICO, and ManTech International. The Graduate School works with The Undergraduate School to develop accelerated pathways for students who wish to earn their graduate degree at UMUC. The Northeast campus offers a number of specializations and programs through its partnership with the Air War College of the Air University.

MILITARY RELATIONSHIPS

UMUC has established special relationships with a number of military institutions of higher education: Air War College, Air University, Defense Acquisition University, Defense Information School, Naval War College, National Defense University Information Resources Management College (College), and Marine Corps College of Distance Education and Training. In most of these academic relationships, you may complete military specializations at the partner school as part of a master’s degree program at UMUC. More information on these academic relationships is available online at military.umuc.edu or by e-mail at MilitarySupportServices@umuc.edu.

GRADUATE SCHOOL MISSION

UMUC’s Graduate School prepares you for effective leadership and citizenship in a global environment characterized by workforce diversity, increasing competition, and technological innovation. Programs are designed to extend educational access through multiple formats. The Graduate School strives for excellence in the quality of programs offered and innovative delivery formats. The curriculum provides discipline-specific knowledge with emphasis on leadership, communication, technology, globalization, diversity, systems thinking, critical thinking, information literacy, research competency, and ethical practices. The Graduate School challenges you to continuously demonstrate effective leadership as you apply what you study to your professions and your daily lives.

ACADEMIC PROGRAMS

UMUC’s graduate degrees are designed to provide a career-focused curriculum. Many of the programs offer an opportunity for further specialization within your chosen field. Currently, the business administration (MBA) graduate degree program is offered on-site in Asia. The Europe and stateside campuses offer additional graduate degree programs, including a doctor of management program, available to students online. You can also enroll in one of several dual degree programs. These options enable you to acquire two graduate degrees for substantially fewer credits than would be required if each degree were earned separately. Because the two programs share and build upon core content, you generally take no more than 18 credits of coursework in the second degree.
ELIGIBILITY
Members of the U.S. Armed Forces, American employees of the U.S. government, and their family members located in a contract country may enroll in MBA courses through University of Maryland University College Asia if they meet admission requirements. U.S. military policy requires a valid identification privilege card issued by the military services. Card validation is required after completing the online application. All eligibility questions should be directed to the MBA Program staff at the UMUC Asia Headquarters.

ORIENTATION AND GETTING STARTED
UMUC field representatives and academic advisors stand ready in military communities to provide on-site assistance with admissions, registration, financial aid, advising appointments, and more. Contact information for field offices is available at www.asia.umuc.edu/locations.

Before the beginning of each session, UMUC holds special online and on-site orientations for new and prospective students. At on-site open house events, you have the opportunity to learn about UMUC and its programs, student services, academic and career options, and meet faculty members and fellow students. When you participate in these special events, you may have your application fee waived.

ADMISSION REQUIREMENTS
Applicants for Master of Business Administration program must submit an official transcript from a regionally accredited degree-granting institution indicating successful completion of a bachelor’s degree. UMUC Asia does not require the Graduate Record Examination (GRE) or the Graduate Management Aptitude Test (GMAT) for admission.

An introductory course for the Master of Business Administration program, AMBA 600 MBA Fundamentals, may be waived if you already have a graduate degree, have a UMUC bachelor’s degree in business administration with a GPA of 3.0 or above, or present GMAT scores in the 70th percentile or higher.
Procedures for Admission

To apply for admission, you must complete the following steps:

1. Complete an online application for admission via MyUMUC at my.umuc.edu.
2. Pay the nonrefundable application fee ($50).
3. Request an official transcript from the bachelor’s degree granting institution, even if you attended another institution in the University System of Maryland. However, if the bachelor’s degree was awarded by University of Maryland University College (stateside, Asia, or Europe), you do not need to request a UMUC transcript. If you received a bachelor’s degree from an institution outside of the United States, the transcript must be evaluated by an independent agency. The section on international applicants follows. UMUC Asia reserves the right to request additional transcripts.

Transcripts are required to be sent directly from the academic institution you attended to UMUC at:

University of Maryland University College
Attn: Graduate Transcripts
3501 University Boulevard East
Adelphi, MD 20783-8085

You may take a maximum of 3 credits prior to official notification of admission status. Therefore it is essential for you to complete the admission process as quickly as possible.

Addresses for most U.S. institutions of higher education may be obtained through reference materials generally available at education centers, libraries, or on the web.

ArmyEd

All eligible active duty, National Guard, and Army Reserve students must complete the Common Application online in the GoArmyEd portal.

International Applicants

If you were educated abroad, you must submit the following to be considered for admission:

- Official documents indicating successful completion of the equivalent of a regionally accredited U.S. bachelor’s degree.
- A transcript indicating completion of at least 12 credits of graduate coursework at a regionally accredited U.S. degree-granting institution. You must have earned the credits in the past two years with a grade of B or higher. All credit is subject to review before being accepted as evidence of English proficiency.

You must arrange to have official score reports sent directly from the testing agency to The Graduate School. The TOEFL score recovery code for UMUC is 5804. Test scores must be less than two years old.

- Documentation of residency status.
- You must provide a photocopy (front and back) of a permanent residency card or the visa page of a valid passport.

Merely providing these documents does not ensure admission. An interview also may be required. The official transcript evaluation must be submitted and evaluated before admission is considered.

Restrictions

You may be admitted to only one institution in the University System of Maryland at any one time. You may be admitted either as a graduate or as an undergraduate, but you may not hold both classifications simultaneously. Graduate students may be enrolled in only one degree program at a time. Your most recent application for admission invalidates any previous admission.

You may be admitted to and take courses in only one graduate program at any time. Application for admission to a second graduate program is not permitted until notification of resignation has been presented to the first program. If you are admitted to any other graduate program in the University System of Maryland, you must notify UMUC. You retain active status for two years (six consecutive terms) even without being registered in the program. However, after two years without a completed graduate course, you must submit a new application.

Evaluation of Transfer Credit

The MBA does not accept transfer credit. You should contact your advisor for details.

Academic Advisement Report

Upon application, your academic background is evaluated by the admissions team to determine eligibility for enrollment in a graduate program.

Upon official admission, you will be able to view your academic advisement report through MyUMUC which lists all course requirements for graduation including:

- UMUC courses required for degree completion.
- You must successfully complete all coursework stipulated on the academic advisement report to be eligible for graduation.

Tentative Evaluations

Although transfer credit is not accepted into the MBA program, tentative evaluations may be required for use of tuition assistance or VA benefits. You can visit your local academic advisor or submit an electronic request via email to the MBA program office. Please visit www.asia.umuc.edu/advising for contact information.
FEES

Application for Graduate Admission  $50

UMUC Asia charges a nonrefundable fee for establishing your permanent record, the official university document from which transcripts are issued. Payment should be made through MyUMUC at the time you complete the application with UMUC Asia.

GoArmyEd students: When you complete a Common Application in the GoArmyEd portal, you must pay the $50 application fee through MyUMUC before your course begins.

Tuition
Tuition is payable at the time of registration and may be paid through MyUMUC by credit card (American Express, Discover, MasterCard, or Visa) or e-check. Payment made by money order should be mailed to the UMUC Office of Student Accounts. Your student ID should be indicated on the payment.

As a member of the U.S. Armed Forces, you may be entitled to tuition assistance (TA) from the U.S. government. Students other than GoArmyEd and active duty Air Force students must give the UMUC staff at their education center a copy of the TA form or email it directly to tpmilitary@umuc.edu

You may also qualify for Veterans Affairs (VA) education benefits and other forms of financial assistance. Information on financial assistance (loans and grants) and VA benefits is presented later in this catalog.

You will receive invoices for charges incurred to your student account. Charges become past due after the end date of the official registration period for the session. Once a charge is considered delinquent, you will begin receiving dunning (collection) notices. Timely payments should be made to avoid your debt being sent to collections.

To pay for tuition for the current term, you have the option of a convenient payment plan with 0 percent interest administered by Educational Computer Systems Inc. (ECSI). The plan allows you to spread your tuition payments over several months. It is not a loan, so no interest is accrued. You will be charged a small non-refundable application fee to use this payment plan.

Payments may be made online through the MyUMUC Student Center by credit card, e-check, or by setting up an automatic withdrawal plan from a personal checking or savings account. If you are interested in the monthly payment plan administered by ECSI, this is also available via the MyUMUC Student Center.

To discuss payment plans for previous terms, you must contact the UMUC Business Office stateside.

Returned Check  $30
You will incur a charge for any check returned unpaid by a bank. When you stop payment on a check for tuition, you are neither disenrolled nor relieved of responsibility for paying your tuition and fees.

Official Transcript  $10
The fee for ordering each academic transcript issued by UMUC is $10, except those sent to an alliance school.

Rush Official Transcript
A special handling fee is charged for transcripts processed and mailed or faxed within 24 business hours.

Certificate/Graduation  $50
For each certificate and graduation application filed, you are assessed an application fee.

Cap and Gown
When you attend commencement as a graduate, you are responsible for purchasing your own cap and gown.

Fees and Activity from Other UMUC Campuses
Charges incurred from UMUC stateside and UMUC Europe will be reflected on your financial account along with any UMUC Asia charges. You may direct all financial account inquiries to your local UMUC Business Office.

Textbooks and Course Materials
Starting in fall 2016, all graduate course materials will also be available for free in the online classroom, just like the undergraduate course materials. Between now and then, you may need to purchase textbooks or course materials for your graduate courses.

Students should refer to the Graduate Schedule of Classes online, and select the “Course Materials” link for each course to verify which class materials will be used. Students can order any required textbooks and/or software from MBS Direct online through the UMUC Virtual Bookstore (www.umuc.edu/bookstore) or by mail. MBS guarantees availability of new and used inventory, discounts for online sales, no sales tax, and an easy return and buy back program. Payment by check, Mastercard, Visa, American Express and Discover is accepted. Some employer contracts may be accepted.
**REFUNDS**

The refund policy applies to tuition only. Other fees are not refundable. If you withdraw from a course during the official drop period, you will receive a full refund. If you withdraw after the drop period, you may be refunded a portion of the tuition as determined by the date of withdrawal. Information about withdrawal refunds is found at www.asia.umuc.edu/services/course-withdrawal-refunds.

If your tuition was paid by employer contract, the refund is returned to the employer. If the tuition assistance was a partial payment, it is returned to the employer, and excess payment is refunded to you.

All withdrawals will be initiated through MyUMUC. You may visit your UMUC field office at the local education center for assistance.

If you are using tuition assistance (TA), you need to contact a military education counselor or education services officer (ESO) for guidance on withdrawals related to emergencies or official duty.

If you are using financial aid and VA benefits, you are strongly encouraged to contact the Financial Aid Office before withdrawing to fully understand the impact on your current and future financial aid.

All refunds will be computed from the date the withdrawal is formally initiated, not from the date of the last class you attended.

GoArmyEd students must initiate withdrawals through the GoArmyEd portal. The last date to withdraw and receive a full refund is listed in the GoArmyEd portal on the class details page of the course schedule for each class.

**MILITARY OR EMPLOYER PROVIDED TUITION ASSISTANCE (TA)**

If you are financing your education with military or civilian tuition assistance (TA), also known as a third party payment, you must present authorized TA forms to the UMUC field staff or the Business Office. If TA is pending, you should contact the Business Office to explain the circumstances.

Tuition assistance documents are typically written forms issued by a third party agency that guarantees payment. Military and civilian TA forms should be completed and signed by the appropriate authorizing official. You may submit forms and inquiries to the Business Office, attention Student Accounts.

GoArmyEd

Army students who have registered through the GoArmyEd portal do not need to submit TA forms, as GoArmyEd automates the third party payment process.

If you are an active duty Air Force student, you do not need to submit TA forms; however, you must verify that TA is digitally signed and approved within the AI Portal for UMUC to retrieve electronically.

**INDEBTEDNESS TO THE UNIVERSITY**

If you incur debts to UMUC during a particular session, you must clear all unpaid balances to be permitted to register for your next session. Requests for services (including transcripts and diplomas) are denied until all debts have been paid. Outstanding debts are collected against any refunds due to you. However, due to the timing of certain transactions, it is important to verify your account balance even when a refund is issued.

To inquire about a debt or make a payment, contact the Business Office at E-mail: studentaccounts@umuc.edu (general) or tpmilitary@umuc.edu (TA)

When your balance is unpaid and 90 days past due, the debt is forwarded to the State Central Collection Unit (SCCU) of the State Attorney General’s Office (of the State of Maryland), which may report the debt to major credit reporting entities. A 17 percent fee will be assessed by the State of Maryland for all debts submitted to SCCU. Once your debt is sent to SCCU, your payment must be made directly to SCCU.

You can contact SCCU at +1-800-705-3493 or +1-410-767-1220, or https://www.paybill.com/payccu/.

**SCHOLARSHIPS AND FINANCIAL AID**

**Scholarships**

UMUC scholarship programs, which include the UMUC President’s Scholarship, offer a number of institutional scholarships as well as scholarships from corporate donors and foundations. Requirements vary according to the individual scholarship program, but typical awards for most programs range from $200 to $1,500 per semester.

To be considered for most UMUC scholarships, you must first complete the FAFSA and be pre-screened for scholarship eligibility. If you meet UMUC’s established scholarship criteria, you will be notified of your eligibility via your “To Do List” through MyUMUC (my.umuc.edu).

Scholarships are awarded for the academic year on a first-come, first-served basis, so it is essential for you to submit a scholarship application as early as possible. More information is available online at www.asia.umuc.edu/financial-aid/umuc-asia-scholarships.

Employees of UMUC and their dependents, as well as persons who receive remission of fees from other institutions, are not eligible to receive UMUC scholarships or grants.

**Forms of Financial Aid**

Federal loan programs are available to graduate students: William D. Ford Federal Direct Unsubsidized Stafford Loans, Federal Perkins Loans, and Graduate Plus Loans. These loans may be used concurrently with VA educational benefits, military tuition assistance, and other types of financial assistance. Under current federal regulations, federal grants are not available to graduate students. As of 1 July 2012, federal subsidized loans are no longer available to graduate students.
The Financial Aid Office must review and approve the completed form before you enroll as a financial aid recipient. You must be fully admitted to UMUC and be degree seeking in order to receive financial aid. If you already have a baccalaureate degree, you are not eligible for Federal Pell Grants, but may be eligible for Federal Direct Student Loans. An initial financial aid award will be made based on anticipated half-time (6 credit hour) enrollment in classes offered during the semester. To have your file reviewed due to special or unusual circumstances, you should submit the FAFSA with the information requested, wait for the results of the FAFSA, and then contact the Financial Aid Office.

When receiving financial aid, you must make satisfactory academic progress. You must maintain a cumulative grade point average (GPA) that meets the academic standards as set forth in this catalog and must maintain a cumulative completion rate of at least 50 percent of the credits attempted. If you fail to meet the minimum requirements, you are not eligible to receive financial aid unless a satisfactory academic progress appeal is submitted and approved by the Financial Aid Office. You may review the complete Satisfactory Academic Progress policy for financial aid students, including details of the appeal process, at www.umuc.edu/students/aid/sapolicies/.

Priority Deadlines for Financial Aid
You may apply for financial aid at any time and the application will be processed on a first-come, first-served basis. If the entire financial aid file is complete by the priority deadline, your application should be processed in time for funds to be available for registration. If you miss the deadline, you may still be eligible to receive financial aid, but you may have to pay for tuition and fees yourself. Once financial aid is approved, you will be reimbursed.

### Non-UMUC Enrollment
Financial aid awards are determined based on enrollment with UMUC. If you wish to take a course with another school, you must contact the Financial Aid Office prior to enrolling with the other school. Enrollment in courses offered by UMUC Asia, UMUC Europe, and UMUC stateside may be used in calculating financial aid eligibility with UMUC.

### Federal Direct Student Loan Programs

#### William D. Ford Federal Direct Unsubsidized Stafford Loan Program
This federally unsubsidized loan program enables students to borrow directly from the Department of Education. Following federal guidelines, the Financial Aid Office determines eligibility for the William D. Ford Federal Direct Stafford Loan program. Eligible graduate students may borrow up to $20,500 per academic year of graduate study. After requesting the Federal Direct Student Loan, you will be offered the maximum eligibility for your loan period. You can accept all or part of the loan award.

The student borrower assumes responsibility for payment of the accrued interest while in school and during the loan period. The interest rate for an unsubsidized loan, first disbursement made on or after 1 July 2015, is currently 5.84 percent and is annually variable. You must remain enrolled on at least a half-time basis during the loan period. (See Graduate Enrollment Levels.)

#### Federal Perkins Loan Program
The Federal Perkins Loan program provides long-term federal loans for graduate students with the greatest financial need. You may borrow up to $6,000 per academic year at a 5 percent annual interest rate with UMUC acting as the lender.

To apply for a Federal Perkins Loan, you must complete the Free Application for Federal Student Aid (FAFSA). Because of federal budgetary constraints, funding for the Federal Perkins Loan program is very limited. Repayment of the loan begins nine months after you cease to be enrolled on at least a half-time basis. Perkins recipients must also complete entrance and exit counseling.

For further information, visit www.umuc.edu/students/aid/loans/perkins.cfm.

#### UMUC President’s Grant
This grant program offers grants to students who demonstrate financial need. Typical awards will range up to $700 per semester, based on need and availability of funds.

### Federal Graduate PLUS Loans
This non-need-based federal loan program is available to graduate and professional students who have already applied for their maximum loan eligibility under the Federal Unsubsidized Stafford Loan Program. Graduate and professional students are eligible to borrow up to the cost of attendance minus other estimated financial assistance.

If you are interested in a Graduate PLUS loan, you should first complete a FAFSA then apply for a PLUS loan directly at www.studentloans.gov.

Additional information regarding PLUS loans is available at www.umuc.edu/students/aid/loans/grad_plus.cfm. If you are offered and accept the Graduate PLUS loan as part of your financial aid award package, you will have your information submitted to the Department of Education for the federally required credit approval.

Repayment of the Graduate PLUS Loan begins on the date of the last disbursement of the loan. For Direct PLUS Loans first disbursed on or after 1 July 2015 and before 1 July 2016, the interest rate is 6.84 percent. This is a fixed interest rate for the life of the loan. There is a 4.292 percent origination fee that is subject to reduction by the Department of Education for loans first disbursed on or after 1 October 2014 and before 1 October 2015. Loans disbursed on or after 1 October 2015 and before 1 October 2016 will have an origination fee of 4.272 percent.

### Federal Return of Funds Policy
Federal student financial aid, including grants and loans, is awarded to students under the assumption that they will be enrolled for a specified period of time, such as a semester. If you are receiving these funds and do not remain enrolled as expected, the Financial Aid Office is required to determine whether you have been enrolled long enough to keep all of the financial aid received. Therefore, the UMUC Financial Aid Office must calculate Return of Title IV Funds each time you stop your enrollment (i.e. withdraw, drop, or stop participating in classes and receive an FN grade) before the end of the semester and do not certify your intent to return in another session before the end of the semester. If you stop enrollment before completing 60 percent of your intended enrollment period, you will be required to repay a portion of any federal financial aid you received. For further information, visit www.umuc.edu/returnoffunds.
Graduate Enrollment Levels for Financial Aid

It is important that you pay attention to the minimum half-time level of enrollment required in order to be eligible for the Federal Direct Student Loan Programs. Graduate students may only receive aid from one school during a given enrollment period. You must notify the Financial Aid Office if you have or will receive aid from an institution other than UMUC Asia. These enrollment levels may be different than that required for Veterans Assistance educational benefits.

You must be enrolled at least half time to be eligible for a direct loan disbursement. Half-time status at UMUC is defined differently depending on the program:

- Graduate – 6 credits
- MBA – 3 credits
- AMBA 600 is considered a half-time course

Initial awards are based on the assumption that you will be enrolled half time; awards may be adjusted if you enroll for more or fewer credits.

Awards will be adjusted on the following schedule (to match current enrollment):

- Fall Semester: September and December
- Winter Semester: March (MBA students only)
- Spring Semester: February and May
- Summer Semester: June and August

Disbursement of Funds

The UMUC Business Office disburses (applies) funds to your account based on federal and UMUC guidelines. Financial aid may be released to your account up to 10 days prior to the course start date. If you are enrolled in courses with multiple start dates, the disbursement is released when you are actively enrolled half time.

Awards applied to your account in excess of tuition and fee charges are refunded to you within UMUC and federally mandated time frames. The Business Office prepares refund checks and mails them directly to you. In general, this refund process requires seven to 14 days following the period of review and financial aid is not disursed. For details on the appeal process and the complete Satisfactory Academic Progress (SAP) policy, you should refer to the website at www.umuc.edu/students/aid/policies.

UMUC Financial Aid Standards for Satisfactory Academic Progress

Federal regulations require students receiving financial aid to maintain satisfactory academic progress toward their degree or certificate. If you fail to meet the minimum academic standards, you are denied aid following the period of review and financial aid is not disbursed. For details on the appeal process and the complete Satisfactory Academic Progress (SAP) policy, you should refer to the website at www.umuc.edu/students/aid/policies.

For Further Information

All financial aid information and forms are available at www.umuc.edu/financialaid on the UMUC website. For assistance, visit Help@UMUC at www.umuc.edu/help to e-mail, chat, or review an extensive list of frequently asked questions. You may also contact the Financial Aid Office in Adelphi, Maryland, by phone at +1-800-888-UMUC or at the UMUC Asia Headquarters.

VETERANS EDUCATION BENEFITS

University of Maryland University College acts as a certifying agent for the Department of Veterans Affairs (DVA) and certifies graduate students’ enrollments to the Regional Office in Buffalo, New York, on a term-by-term basis. Graduate students applying for VA education benefits should seek assistance and VA counseling available at education centers. The counselors can assist in determining which VA application form you should complete to start your education benefits in the graduate program. The VA application form and any required substantiating documents can be found on the GI Bill® website at www.gibill.va.gov. You are encouraged to complete all forms through the Veterans Online Application (VONAPP) at www.gibill.va.gov/apply-for-benefits.

Graduate Training Timetable for VA Benefits

For calculating VA benefits for graduate courses, each student is classified according to the following criteria:

- 1 credit (8 weeks) = 1/4 time
- 3 credits (8 weeks) = full time
- 3 credits (10 weeks) = 1/2 time
- 6 credits (10 weeks) = full time
- 6 credits (12 weeks) = full time

Applying For VA Benefits

When applying for benefits for the first time, you should:

- Complete VA form 22-1990 through the Veterans Online Application (VONAPP) at www.gibill.va.gov/apply-for-benefits.
- Submit a photocopy of your DD214 with the application (if you are a veteran).
- If you have already used VA benefits either at another university or at UMUC, you must:
  - Complete form 22-1995 (Request for Change of Program or Place of Training).

All new VONAPP users must first create an account at www.ebenefits.va.gov.

Graduate students applying for VA education benefits should seek assistance and VA counseling available at education centers. The counselors can assist in determining which VA application form you should complete to start your education benefits in the graduate program. The VA application form and any required substantiating documents can be found on the GI Bill® website at www.gibill.va.gov. You are encouraged to complete all forms through the Veterans Online Application (VONAPP) at www.gibill.va.gov/apply-for-benefits.

For calculating VA benefits for graduate courses, each student is classified according to the following criteria:

- 1 credit (8 weeks) = 1/4 time
- 3 credits (8 weeks) = full time
- 3 credits (10 weeks) = 1/2 time
- 6 credits (10 weeks) = full time
- 6 credits (12 weeks) = full time

Applying For VA Benefits

When applying for benefits for the first time, you should:

- Complete VA form 22-1990 through the Veterans Online Application (VONAPP) at www.gibill.va.gov/apply-for-benefits.
- Submit a photocopy of your DD214 with the application (if you are a veteran).
- If you have already used VA benefits either at another university or at UMUC, you must:
  - Complete form 22-1995 (Request for Change of Program or Place of Training).

All new VONAPP users must first create an account at www.ebenefits.va.gov.
**CERTIFICATION PROCESS**

Notification that you wish to use VA benefits is your responsibility and must be submitted through MyUMUC (my.umuc.edu) each period of enrollment. UMUC acts as a certifying agent for the DVA.

The UMUC VA Office confirms the course(s) are part of your degree program and submits DVA form 22-1999, certification of enrollment, to the DVA Regional Office in Buffalo, NY. You may view the status of your certification through MyUMUC by selecting "View My Certification Status." The primary responsibility of the university is to verify active enrollment of VA students; it is not to make decisions on individual claims.

Please note: UMUC Asia students are not eligible for the VA Advanced Payment program or the Yellow Ribbon program.

**Payments**

VA payments are made by the Department of Veterans Affairs and are calculated in accordance with federal regulations. Education benefits are paid according to how the Department of Veterans Affairs views both the nature of the courses and the course load you are taking. If you need information on training times, please see the training time chart found at www.asia.umuc.edu/veterans-affairs/veterans-education-benefits.

When receiving education benefits under the GI Bill (Chapter 30), you should be able to verify your monthly enrollments for payment online via the Web Automated Verification of Enrollment (WAVE) at www.gibill.va.gov within six to eight weeks of certification.

As a VA student, you are subject to having the amount of your award recalculated by the VA and may be required to repay any unauthorized amounts received if you withdraw from courses.

**Student Responsibilities**

If you are receiving VA benefits, you are expected to follow all regulations and procedures of the Department of Veterans Affairs while attending UMUC.

At UMUC, all regulations of the U.S. Department of Veterans Affairs are enforced. You should be aware of the following requirements and consequences:

- You are required to process a request for certification each time you register.
- Post 9/11 Chapter 33 VA recipients are required to send UMUC a copy of your certificate of eligibility (CoE) from the DVA to the following e-mail address: cova@umuc.edu.
- You are expected to make satisfactory progress toward your degree or certificate; you must comply with the academic standards of UMUC.
- You must report all changes in enrollment, including drops, adds, withdrawals, changes to audit, and changes in degree objective. Such actions may affect your payments or require you to repay VA monies already received.
- You must submit through VONAPP the online form 22-1995 (Request for Change of Program or Place of Training) when you are:
  - changing schools
  - reentering a program after leaving due to unsatisfactory attendance, progress, or conduct
  - requesting to adjust VA education benefits to reflect current military status (e.g., veteran to active duty)
- Registering for a course and then not attending, or ceasing to attend without officially withdrawing, is a misuse of federal funds that is punishable by law.
- Payment of benefits will be disallowed for any course in which a nonpunitive grade (i.e., a grade of I, W, or AU) is assigned.
- Payment of benefits will be disallowed for repeating a course for which transfer credit has been granted or for which a grade that meets minimum requirements for the degree was assigned.
- Payment of benefits will be disallowed for any course that is not a requirement in your degree or certificate program or for which a grade of FN is assigned.
- Payment of tuition and fees is required at the time of registration, unless you are applying for Chapter 31, Vocational Rehabilitation, or Chapter 33, Post-9/11 benefits.
- You are responsible for debts caused by overpayment of benefits resulting from reductions of your course load.

**Noncredit Graduate Courses**

The U.S. Department of Veterans Affairs does not pay benefits for noncredit graduate courses.

**Tutorial Assistance**

You may qualify for tutorial assistance if you are a veteran, active duty military servicemember, or reservist receiving funding assistance from the U.S. Department of Veterans Affairs and you are enrolled at least half-time. Payments are allowed when you demonstrate deficiency in courses that are required for your degree program. To apply, complete and submit DVA form 22-1990t.

**Work-Study Allowance**

If you are registered at least three-quarters time (9 credits) and need money to attend school, you may participate in work-study. Recipients of benefits under the provisions of Chapters 30, 31, 32, 33, 35, and 106 may be eligible. You may work up to 400 hours during a session and receive either the federal minimum wage or the state minimum wage, whichever is greater.

**Points of Contact**

You may refer to the directory for contact information for the UMUC Asia Headquarters Offices. For questions regarding WAVE or payment inquiries, you should contact the DVA Regional Office in Buffalo, New York.

DVA Regional Office
P.O. Box 4616
Buffalo, NY 14240-4616
CIV: +1-716-857-3196/3197
Fax: +1-716-857-3192
E-mail: bufrpo@vba.va.gov

Because regulations are constantly changing, we recommend that you log onto our website for the most current information concerning your VA benefits at www.asia.umuc.edu/veterans-affairs/umuc-asia-veterans-affairs.
Grading Methods

There are four grading methods at UMUC. The most commonly used is the standard method. The pass/fail alternative is available only under limited conditions. The satisfactory/incomplete/fail method is restricted to certain specified courses. Any course may be audited. Regulations for each are given in the following paragraphs.

Resident Credit

Study with the MBA program available through UMUC Asia establishes resident credit with University of Maryland University College. Since both faculty members and courses overseas meet academic standards set by the university, courses offered overseas carry resident credit identical to that earned in the stateside programs of UMUC. Thus you may earn a UMUC MBA degree entirely through study overseas in combination with study in Maryland, the Washington, D.C., metropolitan area, and other stateside locations. In addition to on-site classroom courses, UMUC offers an extensive array of courses through its acclaimed online program, all of which carry UMUC resident credit.

Grade/Mark Interpretation Quality Points
A Excellent 4
B Good 3
C Below standards 2
F Failure 0
FN Failure for nonattendance 0
G Grade pending 0
P Passing 0
S Satisfactory 0
I Incomplete 0
AU Audit 0
U Unsatisfactory 0
W Withdrawal 0

Audited courses are listed on the permanent record, with the notation AU. No letter grade is given for audited courses, nor are credits earned. If you receive financial aid, you should check with a financial aid advisor before selecting audit as a grading option as this may affect your GPA.

Audit

If you do not wish to receive credit, you may register for courses as an auditor once you are admitted. You must indicate this intention when you register. You may request a change from credit to audit status anytime before the end of the second week of classes. Audited courses are listed on the permanent record, with the notation AU. No letter grade is given for audited courses, nor are credits earned. If you receive financial aid, you should check with a financial aid advisor before selecting audit as a grading option as this may affect financial aid.

Grades and Marks

The Grade of A: Excellent

Only students who demonstrate exceptional comprehension and application of the course subject matter merit an A.

The Grade of B: Good

The grade of B represents the benchmark for The Graduate School. It indicates that you have demonstrated competency in the subject matter of the course. For example, you have fulfilled all course requirements on time, have a clear grasp of the full range of course materials and concepts, and are able to present and apply these materials and concepts in clear, reasoned, well-organized, and grammatically correct responses, whether written or oral.

The Grade of C: Below Standards

The grade of C indicates that you have passed the course. However, the grade of C is not considered sufficient to meet overall standards for graduate work. Please refer to Academic Standards for further information on the implications of a grade of C.

The Grade of F: Failure

The grade of F means you failed to satisfy the minimum requirements of a course. Although it carries no credit, it is included in calculating the GPA. If you earn a grade of F, you must register again for the course, pay the applicable fees, repeat the course, and earn a passing grade to receive credit for that course.

The Grade of FN: Failure for Nonattendance

The grade of FN means you failed the course because you did not attend or participate in course assignments and activities. It is assigned if you cease to attend class without officially withdrawing from the course. If you receive a grade of FN, you must register again for the course, pay the applicable fees, repeat the course, and earn a passing grade to receive credit for that course.

The Mark of G: Grade Pending

The mark of G is an exceptional and temporary administrative mark given only when the final grade in the course is under review. It is not the same as a mark of Incomplete.

The Mark of I: Incomplete

The mark of I (Incomplete) is an exceptional mark, given only if your completed coursework has been qualitatively satisfactory, but you have been unable to complete all course requirements because of illness or other extenuating circumstances beyond your control. To be eligible for an I, you must have completed 60 percent or more of the course requirements with a grade of B or better. You must request an I from your faculty member before the end of the session. Faculty, however, are not required to grant the request. If you are assigned a mark of I, you must arrange fulfillment of course responsibilities with your teachers to receive credit. The teacher must set a deadline within four months of the last day for the term in which the course occurred. Marks of I are automatically converted to F after four months.

The Grade of P: Passing

Since the grade of P is awarded only for noncredit graduate courses, it is not included in calculating the GPA. It does, however, appear on the permanent record.
The Grade of S: Satisfactory
The grade of S is awarded only for select courses. Although the grade of S confers credit and appears on the permanent record, courses graded S are not used in determining your GPA.

The Mark of W: Withdrawal
If you officially withdraw from a course, you will receive a mark of W. This mark appears on your permanent record unless you withdraw before a course begins. For purposes of financial aid, the mark of W is counted as attempted hours. It is not used in determining your GPA.

Change of Grade
In accordance with relevant policies, faculty members may revise a grade previously assigned if your grade has been miscalculated or a mark of I has been submitted and must be changed. Any revision must be made no later than four months after the original grade was awarded.

Repeating a Course
When you repeat a course, only the higher grade earned in the two attempts is included in the calculation of your GPA. For purposes of financial aid, both attempts are counted. Both grades are counted on the permanent record, with a notation indicating that the course was repeated. You cannot increase the total hours earned toward a degree by repeating a course for which you already earned a passing grade.

To establish credit in a course you previously failed or from which you withdrew, you must register, pay the full tuition and fees, and repeat the entire course successfully.

Computing the Grade Point Average
The computation of academic averages is based upon the quality points assigned for each grade. The grade of F is included in any computation of scholastic average but the grades/marks of W and I are not. When the requirements of an incomplete course are completed and the I is changed to a final grade, an appropriate correction is made in the cumulative GPA. Only grades earned at the university awarding the degree are counted in the GPA. Credits accepted in transfer are not counted in the GPA.

Graduate students are expected to maintain a GPA of 3.0 or higher at all times.

Academic Levels of Progress
The Graduate School assesses your academic standing at the end of every term. Your GPA is computed for all UMUC graduate-level graded coursework to make a determination of academic standing as described below.

Good Academic Standing
If you have a cumulative GPA of 3.0 or higher, you are in good academic standing. Good academic standing is one of the criteria you must meet to be considered for graduation.

Academic Probation
If you have a cumulative GPA below 3.0, you will be placed on academic probation in your next term of enrollment. Academic probation is a temporary status. If you are placed on academic probation, you have two terms of enrollment in which to restore your GPA to 3.0. During that time, you must repeat the course(s) that caused your cumulative GPA to drop below 3.0. Failing to restore your GPA to 3.0 or higher or earning any grade of C, F, or FN during the probationary period will result in academic dismissal. If you successfully restore your GPA to 3.0 or higher, you will be restored to good academic standing. You should seek guidance and advice from an academic advisor if you are placed on academic probation.

Dismissal
If you are on academic probation and you fail to raise your GPA to 3.0 or higher within two terms of enrollment or if you earn a grade of C, F, or FN during the probationary period, you will be dismissed. Once dismissed, you are ineligible to enroll in UMUC graduate courses and may be readmitted to The Graduate School only under the conditions listed in the following paragraphs.

Reinstatement After Dismissal
If you were academically dismissed from UMUC, you can submit a one-time request for reinstatement. Contact The Graduate School at graduateschool@umuc.edu and request a Reinstatement Request Form, then submit the completed form and documentation to the Graduate School Reinstatement Review Committee. You will be required to show that you have improved your skills and made changes in your academic strategies and that you are more likely to succeed in your academic endeavors, should you be approved for reinstatement.

If you are approved for reinstatement, you will be admitted for one term and placed on academic probation. You must immediately repeat the course(s) that caused your cumulative GPA to drop below 3.0 and must return to good academic standing by the conclusion of this term to remain enrolled. You may also have to meet additional conditions, such as working with a coach or tutor or enrolling in specific courses.

If you fail to attain a cumulative GPA of 3.0 or higher or if you earn a term GPA below 3.0 during the term, you will be academically dismissed, and you will not be eligible to apply for reinstatement or a restart again.

Program Completion Requirements
You are responsible for applying for graduation (for degrees and/or certificates) by completing the online diploma application published by the published deadlines. (See Diploma, Graduation, and Commencement section.) The award of degrees and certificates is conditional upon satisfactory completion of all program requirements and compliance with all UMUC policies. Graduation clearance will not be granted if you have an outstanding debt to UMUC or any outstanding misconduct charges or unsatisfactory sanction terms. No grade of F can remain on the graduate record at the time you apply for graduation.

Time Limit for Degrees and Certificates
All requirements established for the completion of a graduate degree or certificate program listed in this publication must be fulfilled within five years. For dual degree programs, both degrees must be completed within seven years. This regulation includes courses transferred from other institutions and courses transferred from the UMUC Undergraduate School as part of an articulation agreement. Any transfer of credit must be completed within the five-year time frame to be applied toward your degree or certificate program or within seven years for a dual degree program.

If you must withdraw (drop) from a course, you are responsible for completing the withdrawal through MyUMUC or by visiting the UMUC Asia field office. The date you withdraw in MyUMUC will determine the withdrawal date for refunds. Stopping payment on checks for registration fees, or not paying at registration, does not constitute an official withdrawal; it does not relieve you of your financial obligation to UMUC. Never attending or ceasing to attend class(es) does not constitute a withdrawal.

In addition, if you use military tuition assistance, you must contact the education counselor at your education center who issued the tuition assistance to discuss the reason(s) for withdrawing from the class and possible repayment of funds.

If you are receiving financial aid, you are strongly encouraged to contact the Financial Aid Office before withdrawing to fully understand the impact on your current and future financial aid. You are responsible for withdrawing from classes.

Each campus has its own withdrawal policy and dates and deadlines vary from campus to campus. If you take a course from another UMUC campus, you are responsible to determine the appropriate withdrawal deadlines. Withdrawal deadlines may differ from the refund schedule.

If you officially withdraw from a course after the schedule adjustment period, you will receive a mark of W. According to UMUC Asia policy, if you register for:
- on-line classes or weekend seminars, you must officially withdraw no later than the day before the final class.
- hybrid courses, you must officially withdraw no later than the Friday before the final week of the course.
- online courses, you must officially withdraw before 65 percent of the total number of days in a session has expired.

If you are receiving Veterans Affairs (VA) education benefits and financial aid, additional information can be found in the VA and Financial Aid sections of this catalog.

GoArmyEd students must withdraw through the GoArmyEd portal.
If you move during the term, you should not only leave a forwarding address with the postal authorities but should also notify UMUC by updating your personal information through MyUMUC. If you are leaving Asia, you must also submit a divisional transfer request through MyUMUC.

Your request for a name change on official records of UMUC must be accompanied by one of the following documents:
- Copy of a court order
- Copy of a marriage certificate
- Statement from a legal officer certifying the name change

Your request can be made through MyUMUC, but must be followed by mailing in the requested documents. To ensure accurate and complete student records, you must continue to register under your former name until the request and documentation have been forwarded and processed.

TRANSCRIPT SERVICES

Official academic records are maintained by the Office of the Registrar at UMUC. Official transcripts show coursework taken through UMUC; if graduate credit from another university has been accepted in transfer, that also is noted. A summary of your transfer credit from other institutions (including other institutions in the University System of Maryland) is also listed on your official transcript, if you have regular status and received an official evaluation. Your records are considered confidential. Therefore, UMUC releases transcripts only upon receiving an online transcript request from you and payment of the appropriate fee. Online requests are accessed through MyUMUC and authenticated through your personal log-in credentials. An electronic release form is provided during the request process and serves as your official signature.

Procedures for requesting transcripts are available online at www.umuc.edu/transcripts. A fee is charged for each UMUC transcript that is issued; an additional fee is charged for rush processing. Transcripts should be requested at least two weeks before they will actually be needed. No transcripts will be released until all financial obligations to the university have been satisfied.

Under the provisions of the Family Educational Rights and Privacy Act of 1974 (FERPA), you have the right as a student to inspect and seek correction to your educational records. Requests for such inspection and correction of your student records may be sent to

UMUC Asia
Attn: Student Services
Unit 5060 Box 0100
APO AP 96328-0100

For another person to initiate services for you as a student, a power of attorney indicating the person’s ability to act on your behalf is required. In addition, most institutional information concerning students may not be released to third parties without your prior consent.

The only student information which may be released without your prior consent is directory information: your name, major field of study, dates of attendance, degrees/awards received, your previous educational institution most recently attended, and birth date. This information is disclosed even in the absence of consent unless you file written notice within three weeks of your first enrollment of each school year. To prevent automatic disclosure of directory information, your notice must be filed annually with the registrar within the time allotted above. You may select which information you wish to release with consent through MyUMUC.

A record of all disclosures of your educational record is maintained, except for those made to you or made at your written request; made to USM instructional or administrative officials; or directory information disclosures.

Additional information about access to and disclosure of student records may be found at www.umuc.edu/policies or in the policies section of this catalog.

Academic Integrity

Integrity in teaching and learning is a fundamental principle of a university. UMUC believes that all members of the university community share the responsibility for academic integrity, as expressed in the University System of Maryland (USM) policy Faculty, Student, and Institutional Rights and Responsibilities for Academic Integrity. At UMUC, faculty members are expected to establish classroom environments conducive to the maintenance of academic integrity by giving you a complete syllabus describing the course and its requirements, by providing clear-cut directions for assignments and adequate and timely feedback, and by arranging appropriate testing conditions. As a UMUC student, you are expected to conduct yourself in a manner that will contribute to the maintenance of academic integrity.

Plagiarism is the presentation of another person’s idea or product as your own. Plagiarism includes copying verbatim all or part of another’s written work without quotation marks and citation of the source in the text and in reference lists; using phrases, charts, figures, illustrations, or mathematical or scientific solutions without citing the source; paraphrasing ideas, conclusions, or research without citing the source in the text and in reference lists; or using all or part of a literary plot, poem, film, musical score, or other artistic product without attributing the work to its creator.

You can avoid unintentional plagiarism by carefully following accepted scholarly practices. Notes taken for papers and research projects should accurately record sources of material to be appropriately cited, quoted, paraphrased, or summarized. All coursework you submit should acknowledge these sources both in text and in a reference list, in accordance with accepted citation practices.

Attempts to violate academic integrity or to assist others in doing so are prohibited. Resources to help you maintain academic integrity are available at www.umuc.edu/academicintegrity. Additional information on UMUC’s policy on Academic Dishonesty and Plagiarism is available at www.umuc.edu/policies.
Academic Load

Generally, you are considered a full-time graduate student if you are registered for at least 9 credits per term. If you are enrolled in 6 credits per term, you are considered half-time.

If you are an MBA student, you are considered full-time when you register for at least 6 credits per term in your degree program, and half-time if you register for 3 credits per term.

See UMUC Policy 215.00 Student Academic Load and Enrollment Status at www.umuc.edu/policies/academic/policies/aa215.00.cfm for more information.

You are advised to limit your academic load to conform with the demands of your employment and the time you have to prepare for class. Given the time commitment required for graduate study, the maximum recommended load for graduate students is 6 credits per term.

If you have a compelling need to take a course overload, you may submit a written request to graduate advising to take additional credits or one additional course. In the request, you must indicate your acceptance of the academic risk entailed in adopting the course overload.

All requests for exceptions to the maximum recommended course load must be made at least one month before the beginning of a term and are subject to approval by the Graduate Programs Office.

To be considered for a course overload, you must:
- Be a degree- or certificate-seeking student.
- Have no previous grades of C or F.
- Have no current marks of I.
- Have never been on academic probation.

If you are pursuing the MBA, you cannot take course overloads.

Appealing a Grade

College and university students inevitably encounter faculty members who vary widely in teaching philosophy and demeanor and who use different teaching styles. Not only is teaching influenced by course content, there are also many ways of conveying the same material. It is only natural that you will like the style and personality of some faculty members more than others. Disagreement with a faculty member over demeanor and teaching style, however, is not grounds for a grade appeal. You have the opportunity to express your opinions on these matters through the course evaluation forms you complete for every UMUC course.

Regardless of teaching style, it may happen that you believe a faculty member’s determination of your final course grade has been arbitrary and capricious. The phrase “arbitrary and capricious grading” is defined in UMUC Policy 130.80 as:
- A final course grade assigned on some basis other than performance in the course; or
- A final course grade assigned by resorting to unreasonable standards different from those that were applied to other students in that course; or
- A final course grade assigned by a substantial, unreasonable, or unannounced departure from the faculty member's previously articulated grading standards.

The established performance standards for a course grade are communicated in the syllabus and other course materials. If you believe your final grade has not been based on such standards, you may pursue the appeal process. You should first confer promptly with the faculty member of the course. There is a time limit on appealing a grade; if you want to appeal a grade, you must initiate the process within 30 days of the posting of the grade.

If you have not been able to contact the faculty member after a reasonable effort, or if you and the faculty member cannot, after consultation, reach a satisfactory resolution, you must consult with the director, Graduate Programs.

You are advised to limit your academic load to conform with the demands of your employment and the time you have to prepare for class. Given the time commitment required for graduate study, the maximum recommended load for graduate students is 6 credits per term.

All requests for exceptions to the maximum recommended course load must be made at least one month before the beginning of a term and are subject to approval by the Graduate Programs Office.

To be considered for a course overload, you must:
- Be a degree- or certificate-seeking student.
- Have no previous grades of C or F.
- Have no current marks of I.
- Have never been on academic probation.

If you are pursuing the MBA, you cannot take course overloads.

Attendance

You are expected to attend all on-site and online classes and any related activities regularly and punctually.

If you are absent from class, you are responsible for completing any missed coursework, as indicated in the course outline. You also are responsible for obtaining information about each class session, including any announcements and assignments you missed. Failure to complete any required coursework as scheduled may adversely affect your grade. Faculty members are not expected to repeat material that you missed because of absence.

You may not give permission to another person to accompany you to an on-site class, to attend an on-site class in your place, or to access or attend an online class.

Code Of Civility

To promote a positive, collegial atmosphere among students, faculty, and staff, UMUC has developed the following Code of Civility:

Respect

Treat all students, faculty, and staff with respect and in a professional and courteous manner at all times and in all communications, whether in person or in written communication (including e-mail).

Kindness

Refrain from using profanity, insults, or other disparaging remarks.

Truth

Endeavor to cite only the truth and not knowingly misrepresent, mischaracterize, or misquote information received from others.

Responsibility

Take responsibility for one’s own actions instead of blaming others.

Cooperation

Work together with other students, faculty, and staff in a spirit of cooperation toward the common goals of seeking and providing quality education.

Privacy

Strive to uphold the right to privacy and not talk about others.

Nondiscrimination

Respect the differences in people and their ideas and opinions and reject bigotry.

Code of Student Conduct

You are subject to the UMUC Policy 151.00 Code of Student Conduct. Violations of the code are considered to be violations of UMUC policy and are grounds for discipline by UMUC. The UMUC Code of Student Conduct may be found at www.umuc.edu/policies.

Exception to Policy

Requests for an exception to policy must be submitted in writing to the director, Graduate Programs. You are responsible for presenting a strong case for the request for exception to policy. Requests are carefully reviewed before approval can be granted.

Intellectual Property

The primary mission of universities is to create, preserve, and disseminate knowledge. When that knowledge takes the form of intellectual property, a university must establish a clear and explicit policy that will protect the interests of the creators and the university while ensuring that society benefits from the fair and full dissemination of that knowledge. More information about UMUC’s policy on intellectual property is available online at www.umuc.edu/policies/researchpolicies/research19000.cfm.

Make-up Examinations

You are responsible for course information regarding the dates of announced quizzes, tests, and examinations. A faculty member is not required to give make-up examinations unless you can present evidence that the absences were caused by illness or emergency circumstances over which you had no control. Make-up examinations, when permitted, are given at the faculty member’s convenience and should not interfere with regularly scheduled classes. If you must be absent from a course excessively, you should confer with the faculty member. If it becomes necessary to withdraw from the course, this can be accomplished through MyUMUC.
Nondiscrimination
UMUC is committed to ensuring that all individuals have equal access to programs, facilities, admission, and employment without regard to personal characteristics not related to ability, performance, or qualifications as determined by UMUC and/or University System of Maryland policy or by federal, state, or local authorities, in accordance with UMUC Policy 40.30 Policy and Procedures on Affirmative Action, Equal Opportunity, and Sexual Harassment. UMUC prohibits discrimination or harassment of any individual due to race, religion, color, creed, gender, gender identity or expression, marital status, age, national origin, ancestry, political affiliation, mental or physical disability, sexual orientation, or veteran status (including Vietnam-era veterans).

All inquiries regarding UMUC’s Nondiscrimination Statement or compliance with applicable statutes and regulations should be directed to the Equal Opportunity Officer via e-mail at diversity-asia@umuc.edu. Additional information may be found at www.umuc.edu/policies.

Student Grievance Procedures
The procedures necessary to file a formal complaint concerning the actions of members of the UMUC faculty or administrative staff are detailed in UMUC policy 130.70 Student Grievance Procedures which is available at www.umuc.edu/policies. If you wish to seek redress for the acts or omissions of a faculty or staff member, you must first request a conference with that person and attempt to resolve the complaint informally within 14 days of the alleged act or omission. If a satisfactory resolution is not reached, you may file a formal complaint in writing to the campus administrator designated in the policy within 30 calendar days of the alleged act or omission.

Technology Use
Connectivity and Computer Literacy
To take full advantage of the Graduate School’s educational offerings, you must own or have access to a personal computer, and you must have access to the Internet. In some classes, you may be required to participate in synchronous computer-based class discussions and study group activities.

As a graduate student, you must be able to reach fellow students, faculty, and the university via e-mail. You will be assigned a UMUC Google account, which includes e-mail, as soon as you register. While you are not required to use the UMUC e-mail address, you must maintain a current e-mail address through MyUMUC (my.umuc.edu). More information on UMUC’s Google applications is available at www.umuc.edu/umgcmail.

In addition, you are expected to have a working knowledge of, and access to, a basic word processing program, such as Microsoft Word; a spreadsheet program, such as Microsoft Excel; and Internet electronic mail services. Knowledge of Microsoft Windows and Internet information services, such as the World Wide Web, also is necessary.

If you require further training in the use of Internet services and basic software packages, you may wish to consult the UMUC undergraduate schedule of classes or speak with an undergraduate advisor regarding appropriate classes.

Electronic File Sharing
Peer-to-peer programs permit computers to share data in the form of music, movies, games, computer files, and software.

All users of the UMUC network are required to comply with federal copyright laws. UMUC network users are not permitted to share unauthorized copyrighted material over the UMUC network, whether on personally owned or university computers.

Any unauthorized distribution of copyrighted materials on the university network, including peer-to-peer file sharing, is a violation of federal law and UMUC policies. Violations may lead to disciplinary proceedings and, in some cases, civil and criminal legal action. You can find UMUC’s computing resources policies online at www.umuc.edu/computerresource. UMUC’s Computer Use Policy can be found at www.umuc.edu/computerpolicy. More information about how to legally download music is provided on the Recording Industry Association of America website at www.riaa.com. Information about how to legally download movies and television programs is available on the Motion Picture Association of America website at www.mpaa.org.

Waiting List
If a class is already full at the time of registration, you can place your name on a waiting list for that class. To check on class availability, visit MyUMUC at my.umuc.edu.

The following conditions apply to the waiting list:

- If a space becomes available, the first student on the waiting list automatically will be registered for it, and the charge will appear on his or her account. An e-mail notification of the enrollment from the waiting list will be sent. If a space becomes available but the first student is ineligible to enroll in the class (for reasons such as failing to meet the prerequisites, being enrolled in another section of the same class, or being enrolled in a class that conflicts in time), the space will go to the next person on the waiting list.
- If you no longer want to enroll in a class, you should remove your name from the waiting list to prevent the possibility of being automatically enrolled.
- If you are already enrolled in the maximum number of allowable credits (6 credits) and you are on a waiting list for a third course, you will not be registered in the third course even if space becomes available in the class.
- If you are already enrolled in a different section of the same class for which you are waitlisted, you will not be enrolled in the waitlisted section even if space becomes available.
- Faculty members and academic advisors are not authorized to add students to a full class.
Academic Advising

Advisors will help guide you through all the steps that lead to a graduate-level degree. They will also recommend ways for you to complete academic requirements quickly and efficiently.

It is up to you to seek advising and to keep track of your program requirements. You should retain and refer to the catalog of the year you entered your program, as it contains all the degree requirements for which you will be held accountable as long as you maintain continuous enrollment.

If you have not attended UMUC for a year or more, you should also contact an advisor for assistance in getting back on track. If it has been more than two years since your last enrollment, you must first reapply for admission. Once readmitted, you must fulfill the degree requirements detailed in the catalog of the year in which you resume study.

Whenever possible, you should get advising information in writing. If you fail to meet all degree requirements, you will not be cleared for graduation.

Accessibility Services

Reasonable accommodations are available to help you if you have a disability and are enrolled in any program offered at UMUC.

You should make your request for accommodations as early as possible to allow sufficient time for requests and documentation to be reviewed and proper arrangements made. Such requests must be made every session.

If you wish to receive accommodation because of a disability, you must officially register with Accessibility Services. To do so, you must first submit documentation of your disability. Depending on the disability, documentation may include secondary school records; medical, psychiatric, or psychological reports and diagnoses; or a psychoeducational evaluation. The documentation must provide clear and specific evidence of a disability and recommended accommodations from a qualified licensed professional.

Once documentation is received, Accessibility Services will notify you of the status of your file and schedule an intake appointment, which may be held by phone, via e-mail, or in person. During the appointment, an intake form is completed and services and procedures are discussed.

Note: All UMUC students are required to comply with university policies and procedures and meet the academic requirements of all undergraduate certificate and degree programs. You should review the requirements listed in this catalog. You should not apply to a UMUC certificate or degree program with the expectation that any academic requirement will be waived or that substitutions will be allowed.

For more information, you should contact the director, Student Services or e-mail services-asi@umuc.edu, or visit www.umuc.edu/accessibility.

Alumni Association

The UMUC Alumni Association, founded in 1990, fosters and perpetuates lifelong relationships between alumni and the university. Its mission is to support, enhance, and promote UMUC and its community of students, faculty, staff, and alumni worldwide.

Membership in the Alumni Association is free for all UMUC graduates. The association invites graduates to stay connected through volunteer service, social events, career networking, and philanthropy.

Benefit programs and resources include career services, affinity partner discounts, and special alumni events. Membership in the UMUC Alumni Association offers an exceptional opportunity to expand personal and professional networks. UMUC currently has more than 180,000 graduates in 47 states and 24 countries. UMUC alumni work in nearly all major international and Fortune 500 organizations, federal agencies, branches of the military, and private industry.

More information on the Alumni Association and how to activate free membership is available at www.umucalumni.org. The Alumni Association can also be found on Facebook, Instagram, LinkedIn, and Twitter.

Career Services

Career Services provides personalized assistance with clarifying skills, interests, and work-related values; making career- or life-related decisions; researching career options; and searching for employment. Through the Career Services webpage, you can access a variety of career and job search information and materials. Career Services offers job fairs, employability skills workshops such as résumé writing, tutorials, and access to CareerQuest, UMUC’s online job and internship database.

Services are available by telephone, online via e-mail, or Skype. More information can be found on the Career Services webpage at www.umuc.edu/careerservices.

Computer Labs And Services

UMUC computer labs are available at many UMUC sites. These labs are available primarily for the use of students completing coursework but are also open to faculty members, staff, and alumni on a first-come, first-served basis on presentation of a valid UMUC ID. You must bring media to save data or documents. Acceptable media include flash drives or thumb drives. Lab assistants are available during scheduled hours to help you with resident software programs, but cannot provide tutoring.

If you are considering enrolling in online courses, you should review the technical requirements at www.umuc.edu/techreq for the most current detailed information.

Technical support related to your online courses is available 24 hours a day, seven days a week, at www.umuc.edu/help or +1-800-807-4862.

Drug And Alcohol Awareness

As required by federal law, UMUC provides referral services if you have concerns about the use or abuse of alcohol and drugs. You may discuss referrals with the director, MBA Program.

Enrollment Verification

UMUC participates in the National Student Clearinghouse which, in turn, supplies verification of enrollment to lending agencies. UMUC reports student enrollment data to the clearinghouse two times each month. Enrollment data are provided for all students who are enrolled in classes, whether they are attending full-time, half-time, or less than half-time, as well as for students who are considered to have withdrawn from the university. UMUC also reports degree information, including graduation date, for students who have completed an academic program.

If you are a current student, you may request enrollment verification through MyUMUC free of charge. If you are no longer enrolled at UMUC, you may request a transcript of your academic record to verify past enrollment.

All enrollment verifications requested via MyUMUC are mailed out the next business day.

Letters certifying official enrollment are also available upon request from the MBA Program Office. Enrollment can be certified only for the current term and for previous terms. If requesting a letter for a future session, the letter will be mailed out and a hold will be placed on your record.
Loan Deferment Form Certification
UMUC does not grant or deny deferment requests; any deferments are at the sole discretion of the lender. UMUC processes deferment forms, certifying your official dates of enrollment. If you are not enrolled in the current term (fall, spring, or summer), you are reported as having withdrawn, regardless of whether or not you plan to enroll or have already enrolled in a future term.

If you have a William D. Ford Federal Direct Loan and wish to apply for a deferment, you must complete the In-School Deferment Request (available at www.umuc.edu/financialaid) and submit it to the Registrar’s Office state-side by fax at +1-240-684-2005 or +1-240-684-2006 for certification.

You should be aware both of your lender’s deadlines for receiving deferment requests and UMUC’s reporting schedule to avoid having deferment forms processed and forwarded to the lenders before enrollment data has been reported.

The UMUC Library
The UMUC Library serves to educate students, faculty, and staff in the use of library and information resources and services, emphasizing the critical importance of information literacy knowledge and skills for success in today’s information-rich world. The office also develops and manages extensive online library resources and user-centered services for UMUC students, faculty, and staff worldwide.

Library Resources
The UMUC Library provides access to a rich collection of research materials on a variety of topics (e.g., business, social science, science, arts and humanities, and computer and information systems). You can access an extensive array of subscription research databases containing tens of thousands of full-text articles, as well as thousands of electronic books, through the UMUC Library home page at www.umuc.edu/library or through the learning management system.

UMUC Library OneSearch allows you to search for scholarly articles, books, and/or other research resources via a single search engine in most of the databases to which the UMUC Library subscribes, either directly or as additional resources. The UMUC Library has also created subject-specific resource guides to serve as a beginning place for research. Each guide includes subject-relevant research databases, books, websites, and where applicable, other Web 2.0 technologies.

At most military installations where UMUC offers courses, the Army, Air Force, Marine Corps or Navy maintains a library, usually staffed by professional librarians. The combined holdings of the libraries, including several million books and audio-visual materials, are available to all UMUC students. Many libraries also have computers with Internet connections as well as computers which connect to a selection of research databases available from inside the library only.

Faculty resources are available online in the UMUC Library. These databases are maintained specifically to augment faculty members’ personal resources by providing background materials for use in preparing and conducting their classes.

Library Instruction and Research Assistance
To help you gain the in-depth research skills needed to locate, evaluate, and use the rich research resources available, the UMUC Library offers library instruction, both in person and within the learning management system. This instruction serves to complement and reinforce skills and information gained through UCSP 615 Orientation to Graduate Studies at UMUC. Faculty members may contact the UMUC Library to request a library instruction session.

Reference and research assistance is available daily (except holidays) during regularly scheduled hours (EST) through the library webpage under Ask a Librarian. For a complete list of library services, you should visit www.umuc.edu/library.

Application Deadlines
You are responsible for filing a graduation application (available online at my.umuc.edu) and paying the appropriate fee (currently $50) if you expect to complete the requirements for the MBA program. Applications for a diploma may be submitted at the time you register for your final term or by the following deadlines:
- December graduation: 15 October
- March graduation: 15 February
- June graduation: 1 April
- September graduation: 15 July

Graduation applications that are received after the deadlines will be evaluated for the next graduation term.

The application form must be completed through MyUMUC at my.umuc.edu.
Graduation Review
A graduation review will be prepared for each degree applicant. This review confirms remaining requirements. If the remaining requirements include marks of I (Incomplete) to be removed, courses to be transferred from other institutions, credit by examination, or military credit, you must ensure this work is completed and official documentation reaches UMUC no later than the expected graduation date. Documentation should be sent to
University of Maryland University College
Attn: Graduate Transcripts
3501 University Boulevard East
Adelphi, MD 20783-8070

Commencement
If you have earned your degree in any of the degree periods (summer, fall, winter, or spring of that academic year) are eligible to march at the spring commencement ceremonies. To be eligible to march as a master’s candidate, you must be able to demonstrate that you will complete all degree requirements by the degree conferral date (30 May) and pay the required fees.

Issuance of Diplomas
You can expect to receive your diploma by mail within four to six weeks after the graduation date if all financial obligations with UMUC Asia have been satisfied. Advisors are available to answer any questions about requirements for graduation and the application for diplomas or certificates at +1-800-888-UMUC, ext. 2-2100, or e-mail gradinfo@umuc.edu. If you require verification of your degree completion prior to receiving the diploma, you may request a letter of completion from the Office of Graduate Programs.

Degree Verification
UMUC has authorized the National Student Clearinghouse to provide degree verification. Employers and background screening firms must contact the clearinghouse directly for this information, for which a fee is charged. Information on this service may be found at www.studentclearinghouse.org.

Conference Courses
Conference courses are offered to provide an alternative for students who cannot otherwise complete their degrees. The director, Graduate Programs must approve conference courses.

In a conference course, a faculty member works individually with you to cover all material normally contained in the course and to meet all course requirements. You use the same textbooks, write the same papers, and take the same kinds of examinations as students taking the course in any other format.

You may apply for permission to take a conference course with UMUC Asia if you have
1. Been granted full admission.
2. Earned a GPA of at least 3.0.
3. Completed at least 27 credits toward the master’s degree.
4. Determined that the course requested, or a suitable alternative, is not available within a reasonable commute during the current term or in any term prior to the student’s projected PCS/degree completion date.
5. Satisfied all outstanding incompletes.

To apply to take a conference course, you must submit the request to the Office of Graduate Programs. The request will be reviewed to determine if all the above criteria have been met. You will be notified of the decision.

Degree Verification
UMUC has authorized the National Student Clearinghouse to provide degree verification. Employers and background screening firms must contact the clearinghouse directly for this information, for which a fee is charged. Information on this service may be found at www.studentclearinghouse.org.

What You’ll Learn
Through your coursework, you will learn how to
- Anticipate and understand the implications of decisions and actions across the entire organization
- Analyze, synthesize, and evaluate assumptions, beliefs, and information to form clear, defensible ideas and to weigh arguments and positions rationally and fairly
- Recognize the value brought to the organization by those whose backgrounds, origins, customs, beliefs, styles, and methods differ from your own
- Persuade others to act with spoken ideas, opinions, and conclusions
- Develop, inspire, and manage teams across organizational, geographic, and cultural barriers to accomplish project and organizational goals
- Work effectively as a team member in both formal and informal groups
- Foster mutual respect, trust, and high standards of ethics
- Respond to complex challenges by formulating and effectively implementing business plans

Advance your career with a stand-out MBA that’s focused on your career goals and tailored to fit your busy life.

Prepare for leadership in UMUC’s award-winning Master of Business Administration program, designed for busy professionals like you. Offered online or in a hybrid format with both online and on-site components, the MBA can help you develop key managerial competencies to advance in any type of business.

You’ll develop sought-after skills in finance, marketing, operations, information literacy, technology fluency, and systems thinking, as well as key competencies for effectiveness as a manager, including ethical leadership, team building, communication, problem solving, and critical thinking.

Careers
- Chief executives
- General and operations managers
- Marketing managers
- Management analysts

Your Coursework
The MBA curriculum includes coursework in management, legal and ethical issues in business, leadership, finance, marketing, strategy, decision making, and operations. Courses feature projects for actual companies and agencies to give you real-world experience in managing operations that you can apply right away on the job.

COURSEWORK EXAMPLES
In past projects, students have had the opportunity to
- Envision an innovative product and create a marketing strategy
- Assess the business environment for a company that you might consider entering
- Review the company’s legal and ethical issues in business
- Assess the company’s marketing, strategy, decision making, and operations
- Envision an innovative product and create a marketing strategy
- Assess the business environment for a company that you might consider entering
- Review the company’s legal and ethical issues in business
- Assess the company’s marketing, strategy, decision making, and operations

Program Overview
The MBA degree program requires 42 credits of coursework, including 24 credits of common core courses and 18 credits in either standard or global focus core courses. Courses must be taken sequentially and are offered in four 10-week terms. An introductory course (AMBA 600) is prerequisite to the program but may be waived for students
- who already have a graduate degree,
- or who present GMAT scores in the 70th percentile or higher;
- or
- who complete their undergraduate degree at UMUC with a major in business administration and a grade point average of 3.0 overall and also in the major.

Program Recognition / Accreditation
In 2011, the UMUC MBA program won the Best Practices Award (Silver) in Distance Learning Programming—Higher Education from the U.S. Distance Learning Association.
In 2015, the UMUC MBA program received specialized accreditation through the International Assembly for Collegiate Business Education (IACBE).

Master of Business Administration Program Calendar
Master of Business Administration classes are 6 credit hours each and 10 weeks in length, with the exception of AMBA 600 (3 credit hours).

**INFORMATION ON COURSES**

**Overview**
When scheduling on-site courses each term, the MBA Program Director coordinates with education center staff to select the most appropriate courses to offer at each site. This selection is based upon the size and assessed academic needs of the student population at the site (and at sites nearby). Courses listed in other UMUC catalogs may also be offered by UMUC Asia when demand warrants and academic facilities are available.

**The Unit of Credit**
The unit of credit defines the amount of university-level credit to be awarded for course completion, transfer of coursework from another institution, or evaluation of college-level prior learning. One credit is awarded on the basis of either of two sets of criteria, as follows:
- At least 15 hours (50 minutes each) of actual class meeting or the equivalent in guided learning activity (exclusive of registration and study days, holidays, and final examinations)
- At least 30 hours (50 minutes each) of supervised laboratory or studio work (exclusive of registration and study days, holidays, and final examinations)

---

**Key to Course Descriptions**
Each course description includes very important information for you as a student. The course description highlights each component by a numeric listing. Above the course description is a key that explains each of the components.

**COURSE DESCRIPTIONS**

The following entries describe the MBA courses offered on-site by UMUC Asia. Requirements pertain only to degrees conferred by UMUC. To determine how these courses may transfer and be applied toward degrees offered by other institutions, you should consult those institutions. Transferability is determined by the receiving institution.

**BUSINESS ADMINISTRATION**

Note: Courses must be taken sequentially and are offered in four 10-week terms.
For current schedule information, students can visit www.asia.umuc.edu.

**AMBA 600 MBA Fundamentals (3)**
An introduction to a broad spectrum of skills designed as preparation for academic and professional success. Focus is on communication, critical thinking, quantitative reasoning, and team leadership skills. Topics include career goals, how to create a professional social network presence, and moral and ethical decision making. The objective is to gain proficiency in the effective and efficient use of spreadsheets, collaboration tools, and other business software. Students may receive credit for only one of the following courses: AMBA 600 or UCSP 615A.

**AMBA 610 The Manager in Organizations and Society (6)**
Prerequisite: AMBA 600. An exploration of the responsibilities and influence that 21st-century managers have within their organizations and the global society. Essential concepts and theories that provide a foundation for the study of business administration and management—including systems thinking, critical thinking, ethical decision making and leadership, legal concepts, corporate social responsibility, organizational theory and organizations, and holistic approaches to marketing management—are examined. Formerly AMBA 601.
AMBA 620 Managing People and Groups in the Global Workplace (6)
Prerequisite: AMBA 610. An analysis of the challenges and opportunities associated with managing people in today's dynamic and complex global marketplace. Lessons from research and practice on recruiting, developing, and retaining the talent required to build a high-performing, diverse, and competitive global workforce are examined. Development of personal, group, and cultural skills and knowledge serve as central seminar goals. Leadership and ethical decision making are important seminar competencies.

AMBA 630 The Economics of Management Decisions (6)
Prerequisite: AMBA 620. An examination of economic decision making in a wide variety of managerial situations. Topics include financial statement analysis; asset valuation; budgeting; cost management; and performance evaluation of organizations, organizational units, products, and managers. Critical thinking is applied to make connections among concepts from the disciplines of microeconomics, finance, managerial accounting, and financial accounting. Discussion covers the current legal and ethical issues surrounding financial accounting; the valuation of tangible, financial, and intangible assets in a domestic and global context; and activity-based costing. Performance measurement techniques covered include the balanced scorecard.

AMBA 640 Managing Projects, Operations, and Information Systems (6)
Prerequisite: AMBA 630. A study of project management, operations management, and information technology management—three key areas of modern business functional management. A guide to the project management body of knowledge is provided. Topics include the dos and don'ts of managing a project, several world-class operations management techniques (such as Six Sigma), and industry best practices in operational efficiency and effectiveness. The mission, goals, and importance of information systems management are assessed, using one's own work organization as a model. Assignments include the development of an international information systems management plan.

AMBA 650 Marketing Management and Innovation (6)
Prerequisite: AMBA 640. An exploration of the essentials of marketing management: setting marketing goals for an organization with consideration of internal resources and marketing opportunities, planning and executing activities to meet these goals, and measuring progress toward their achievement. Focus is on the concept of innovation in business, including the introduction of new market offerings and the use of new technologies, strategies, and tactics for achieving marketing objectives. An integrative approach combines discussions on theory of marketing management with industry analysis and practical implications. Assignments include the design and marketing of innovative products, analysis of the application of modern marketing strategies and tactics using examples from participants’ organizations, and practicing a holistic approach to marketing management.

AMBA 660 Managing Global Business (6)
Prerequisite: AMBA 650. A global overview of various types of business organizations and environments that shape organizational decisions. Emphasis is on the regulatory structures, legal systems, governance models, and policy making that define the internal and external functions of business at the confluence of local, state, national, and international affairs. Topics include critical thinking, international ethics, business sustainability, social responsibility, and the impact of economics and technology.

AMBA 670 Managing Strategy in the Global Marketplace (6)
Prerequisite: AMBA 660. An investigation of strategy, value creation, and value capture in different business contexts. Focus is on developing frameworks and models for understanding the structural characteristics of industries and how companies can achieve sustainable competitive advantage, taking appropriate action in these different, but concurrent, business contexts. An explicitly integrative approach is adopted, building on knowledge of the different functional areas of management gained through previous study.

Recommendations
Students who wish to improve their graduate writing skills may take COMM 600, Academic Writing for Graduate Students (3). Students should contact their Academic Advisor for more details.

UMUC STATESIDE

www.asia.umuc.edu/mba
The information contained in this catalog reflects the policies of both UMUC and the University System of Maryland (USM). The complete list and text of UMUC’s policies can be found at www.umuc.edu/policies. USM policies can be found at www.usmd.edu/regents/bylaws.

Transfer of General Education Requirements

UMUC conforms with the general education requirements as laid out by COMAR 13B.02.02.16D(2)(b)-(c). Up to 36 general education credits earned at another Maryland public institution will transfer to UMUC as general education credits. UMUC’s general education requirements may be found on p. 66 of this catalog.

A student who has satisfactorily completed a course identified as a general education requirement at a Maryland community college will receive credit toward UMUC’s general education requirements, as stated in Code of Maryland Regulations Title 13B, Subtitle 06 Chapters 1–10. For other students, courses are evaluated on a case-by-case basis. UMUC has included its evaluation of many Maryland community college courses in its section of the University System of Maryland’s computerized articulation system (ARTSYS). This software is available at all two- and four-year Maryland public institutions and online at www.artweb.usmd.edu.

Consult an advisor for details.

Disclosure of Student Records

UMUC complies with the Family Educational Rights and Privacy Act (“FERPA”), a federal law that protects the privacy of students’ education records. In accordance with FERPA, you have the right to inspect and review your education records; seek an amendment of your education records, where appropriate; limit disclosure to others of personally identifiable information from education records without your prior written consent; and file formal complaints alleging a violation of FERPA with the Department of Education. UMUC’s policy on Disclosure of Student Records contains an explanation of information that may be disclosed without prior consent as well as procedures for requesting amendments to records, requests for nondisclosure, and filing of complaints.

The entire policy is available online at www.umuc.edu/policies/academicpolicies/1a27014.cfm.

Student Drug and Alcohol Use

UMUC complies with all federal, state, and local laws that regulate or prohibit the possession, use, or distribution of alcohol or illicit drugs. Violations of such laws that come to the attention of UMUC officials will be addressed through UMUC procedures, through prosecution in the courts, or both. All UMUC students are prohibited by UMUC from unlawfully possessing, using, manufacturing, distributing, or dispensing alcohol or any controlled substance on UMUC premises or at UMUC-sponsored activities. UMUC expects all students to comply with applicable federal, state, and local laws and regulations pertaining to possession, use, manufacture, distribution, or dispensation of alcohol and/or controlled substances.

Any student who violates any of the applicable standards of conduct is subject to corrective disciplinary actions and penalties up to and including expulsion from UMUC academic programs and referral to the appropriate federal, state, and/or local authorities for prosecution in the courts. Students should see section III of the most current annual information report (www.umuc.edu/information) for additional information.

Intellectual Property

The primary mission of universities is to create, preserve, and disseminate knowledge. When that knowledge takes the form of intellectual property, a university must establish a clear and explicit policy that will protect the interests of the creators and the university while ensuring that society benefits from the fair and full dissemination of that knowledge. More information about UMUC’s policy on intellectual property is available online at www.umuc.edu/policies/researchpolicies/research18000.cfm.

Peer-to-Peer Notification

Unauthorized use of copyrighted materials may bring civil and criminal penalties to the user. UMUC is committed to combating the unauthorized use of copyrighted materials on UMUC’s network (including the online classroom) and therefore has established a written plan to achieve this goal. The intent of this plan is to inform UMUC students, faculty, and staff members of the appropriate use of copyrighted material on the network and to deter, detect, and discipline prohibited use, while reasonably maintaining the educational use of UMUC’s network.

Summary of Civil and Criminal Penalties for Violation of Federal Copyright Laws

Copyright infringement is the act of exercising, without permission or legal authority, one or more of the exclusive rights granted to the copyright owner under section 106 of the Copyright Act (Title 17 of the United States Code). These rights include the right to reproduce or distribute a copyrighted work, to prepare derivative works based upon a copyrighted work, and to distribute copies to the public by sale or other transfer of ownership.

Penalties for copyright infringement include civil and criminal penalties. In general, anyone found liable for civil copyright infringement may be ordered to pay either actual damages or statutory damages affixed at not less than $750 and not more than $30,000 per work infringed. For willful infringement, a court may award up to $150,000 per work infringed. A court can, at its discretion, also assess costs and attorneys’ fees. For details, see Title 17, United States Code, Sections 504, 505.

Willful copyright infringement can also result in criminal penalties, including imprisonment of up to five years and fines of up to $250,000 per offense.

More information is available on the U.S. Copyright Office website at www.copyright.gov.

UMUC Procedures for Handling Unauthorized Distribution

UMUC implements an active protocol to respond to copyright infringement allegations. In accordance with the Digital Millennium Copyright Act (DMCA), UMUC has designated the following individual to receive and respond to reports of alleged copyright infringement on its website:

Maureen Walsh David
Vice President and General Counsel
University of Maryland University College
3501 University Boulevard East
Adelphi, MD 20783
+1-301-985-7080
legal-affairs@umuc.edu

To be effective under the DMCA, a notification of claimed infringement must be in writing and include the following information:

1. A physical or electronic signature of a person authorized to act on behalf of the owner of an exclusive right that is allegedly infringed;
2. Identification of the copyrighted work claimed to have been infringed, or, if multiple copyrighted works at a single online site are covered by a single notification, a representative list of such works at that site;
3. Identification of the material that is claimed to be infringing or to be the subject of infringing activity and that is to be removed or access to which is to be disabled, and information reasonably sufficient to permit the service provider to locate the material;
4. Information reasonably sufficient to permit the service provider to contact the complaining party, such as an address, telephone number, and, if available, an electronic mail address at which the complaining party may be contacted;
5. A statement that the complaining party has a good faith belief that use of the material in the manner complained of is not authorized by the copyright owner, its agent, or the law; and
6. A statement that the information in the notification is accurate, and under penalty of perjury, that the complaining party is authorized to act on behalf of the owner of an exclusive right that is allegedly infringed.

Once an effective DMCA takedown request is submitted, UMUC will act expeditiously to remove or block access to the infringing material.
Nondiscrimination

UMUC is committed to equal opportunity for all individuals and adheres to federal, state, and local laws and regulations that prohibit discrimination and retaliation, as incorporated by UMUC Policy 40.30 Affirmative Action and Equal Opportunity (www.umuc.edu/policies/adminpolicies/admin04030.cfm) and UMUC Policy 041.00 Sexual Misconduct (www.umuc.edu/policies/adminpolicies/admin04100.cfm).

All inquiries regarding UMUC’s Nondiscrimination Statement or compliance with applicable statutes or regulations should be directed to the fair practices officer, Office of Diversity and Equity, UMUC, 3501 University Boulevard East, Adelphi, MD 20783-8000 (phone +1-301-985-7955 or e-mail fairpractices@umuc.edu). Inquiries regarding sexual misconduct, including sex-and gender-based discrimination, should be referred to UMUC’s Title IX coordinator by phone at +1-301-985-7930 or e-mail at titleixcoordinator@umuc.edu.

Sexual Misconduct

UMUC is committed to creating and maintaining an environment in which all persons who participate in university programs and activities, perform work, and provide services can learn and work together in an atmosphere free from sexual misconduct, a form of sex-based discrimination. UMUC provides training, education, prevention programs, and policies and procedures that promote prompt reporting; prohibit retaliation; and promote timely, fair, and impartial investigation and resolution of sexual misconduct cases.

Inquiries concerning the application of Title IX may be referred to the UMUC’s Title IX coordinator or the Office for Civil Rights. For more information about UMUC’s Sexual Misconduct Policy, contact the Title IX coordinator by phone at +1-301-985-7930, text message at +1-301-887-7295, or e-mail at titleixcoordinator@umuc.edu. See UMUC Policy 041.00 Sexual Misconduct at www.umuc.edu/policies for details.

Religious Observance

So that academic programs and services of UMUC shall be available to all qualified students who have been admitted to its programs, regardless of their religious beliefs, students shall not be penalized because of observances of their religious holidays.

More information on Policy 051.00 Religious Observances may be found at www.umuc.edu/policies/academicpolicies/a051000.cfm.

Review of Alleged Arbitrary and Capricious Grading

In accordance with Board of Regents III - 1.20 Policy for Review of Alleged Arbitrary and Capricious Grading, approved 11 January 1990, UMUC has developed procedures to provide a means for a student to seek review of final course grades alleged to be arbitrary or capricious. These Procedures will not be used to review the intellectual judgment of a faculty member or to require another faculty member to re-grade or re-examine a student’s work. In every case of alleged arbitrary and capricious grading, the burden of proof rests with the student.

Definitions

“Arbitrary and capricious grading” is defined as:

• A final course grade assigned on some basis other than performance in the course; or
• A final course grade assigned by resorting to unreasonable standards different from those that were applied to other students in that course; or
• A final course grade assigned by a substantial, unreasonable, or unannounced departure from the faculty member’s previously articulated grading standards.

The “Appeal Administrator” for undergraduate courses originating in Adelphi is the vice president and dean, School of Undergraduate Studies; for graduate courses originating in Adelphi is the senior vice president for Academic Programs and dean, Graduate School of Management and Technology; for courses originating from UMUC Europe or UMUC Asia is the respective vice dean.

Student Procedures

If the student believes his/her final course grade is arbitrary and capricious as defined above, the student must first request a conference with the faculty member within 30 days from the date the grade was posted to discuss how the grade was calculated.

If a satisfactory resolution is not reached and the student wishes to continue the process, the student must file a written request to know how the final grade was calculated with the appeal administrator within 60 days from the date the grade was posted. The appeal administrator or designee(s) will direct the appropriate departmental chairperson, academic director, or area director to review how the final grade was determined and to provide a written explanation within 30 days of the receipt of the written request. The appeal administrator shall be copied on the departmental response.

If after receiving the response the student still believes that the final grade is arbitrary and capricious, or if after the 30-day period the student has not received a response, the student may file a written appeal of the final grade with the appeal administrator within 45 days after filing the written request. The appeal must be confined to information relevant to the allegation(s) and be accompanied by supporting documentation. The faculty member will be notified of the filing of the appeal.

Within 30 days of receipt of the student’s appeal, the appeal administrator or designee(s) will conduct a preliminary administrative inquiry. The appeal administrator or designee(s) may communicate with the student and faculty member and give them the opportunity to present any relevant evidence. Upon request, the student may see the information submitted by the faculty member relating to how the grade was calculated. However, the student will not have the right to see any information that violates the privacy rights of other students. The appeal administrator will dismiss the appeal if:

• The student has failed to comply with procedure;
• The student made allegations that, even if true, do not constitute arbitrary and capricious grading as defined; or
• There is no evidence of arbitrary and capricious grading based upon the inquiry conducted by the appeal administrator or designee(s).

Dismissal of the appeal for any of the reasons listed above constitutes the final UMUC action on the appeal and is not itself appealable. The student and faculty member will be notified of the appeal administrator’s decision in writing within 40 days of the receipt of the student’s appeal.

The complete policy can be found at www.umuc.edu/policies/academicpolicies/a030800.cfm.

POLICY STATEMENT
This publication and its provisions do not constitute a contract between University of Maryland University College and any party or parties. At the time of publication, reasonable effort was made to ensure the factual accuracy of the information. However, this publication is not a complete statement of all policies, procedures, rules, regulations, and academic requirements applicable to UMUC’s students, or programs. In addition, changes or additions may be made from time to time to the policies, procedures, rules, regulations, academic requirements, tuition, and fees set out in this publication. UMUC reserves the right to make these changes and additions to the information in this publication without prior notice. When a curriculum or graduation requirement is changed, it is not made retroactive unless the change is to the student’s advantage and can be accommodated within the span of years normally required for graduation.

NONDISCRIMINATION
University of Maryland University College welcomes applications from prospective students and employees regardless of race, religion, color, creed, gender, marital status, age, national origin, ancestry, political affiliation, veteran status, mental or physical disability, or sexual orientation.
