Alicia Muse – UMUC Student Advisory Council Member

Alicia Muse was born in Schaumburg, Illinois and was raised in Albuquerque, New Mexico. In 2005, she joined the US Navy as a Hospital Corpsman. Her first duty station was at the Naval Hospital in San Diego, California where she worked in the Audiology Department performing hearing tests on all newborns. In 2008 Alicia was transferred to Naples, Italy where she was selected to receive Immunology and Allergy training (in Washington, DC).

During her Navy career, Alicia was honored as:

- Sailor of the Month for her Family Practice Clinic (first Hospital Corpsman to receive this honor).
- Recipient of the Navy and Marine Corps Achievement Medal.

Alicia is now a civilian residing in Yokosuka, Japan with her husband who serves as an active duty military personnel. As a student at the University of Maryland University College (UMUC), she is pursuing an undergraduate degree. Her major field of study is Computer Science; additionally, she has a minor area of concentration in Communication Studies.

Alicia enjoys helping people, volunteering and learning about different cultures. She is grateful to be part of the UMUC Student Advisory Council and is dedicated to ensuring that the student body voices are heard.
